Dear Jackie,

I just wanted to write to you and tell you how wonderful your facility is. My sister's wedding could not have been more beautiful and intimate. The Manor was exceptionally gorgeous and the food was absolutely fantastic, but most of what impressed me was your personal staff. Ted is the most caring and attentive person I have ever met. Every need was met and he made the evening with his beautiful voice as we all tried to sing. The piano player added the touch of class that was so appropriate to the atmosphere as well. The manor was so impressive as we walked in the door my eyes filled with tears. Actually my eyes were filled with tears most of the evening because of all of you making this day so special for my sister and our family. My hat goes off to all. I will definitely be back to visit. I have so much admiration for all that you do and all that you have accomplished. Best of luck and have a Wonderful holiday season. Thank you so much for all that you did. I will never forget how happy that you made us and most of all how relaxed and comfortable you made everyone feel as if it was our home. My sister especially was more relaxed and so at ease, more than I have ever seen her. My hat goes off to all.

Sincerely,
Michaela
